Additional Information

Guests will need to bring all items necessary for a beach day. We understand that guests will have personal preferences for what to bring to a beach, but, at the very least, bring a swimsuit, towel, reef-safe sunscreen, comfortable footwear for the beach (IE flip flops), and a small bag to carry your personal items in. As some areas on the North Shore are made up of reef and volcanic rock, reef shoes are an important item to consider bringing in order to protect your feet from cuts and scrapes. Also, most services on the North Shore accept cash AND credit cards as forms of payment, but bring both to be safe. Snorkel equipment is available for rent or purchase at the North Shore but guests are more than welcome to provide their own. Please note that all sea-life, such as turtles, seals, etc. are to be treated with respect and are protected by state and federal laws. As they are wild animals, Aloha Paradise Tours, as well as anyone, can not GUARANTEE that you will see them, but if you do, DO NOT TOUCH THEM. We will provide information necessary to ensure that guests and animals do not have any unlawful or dangerous encounters.
